Saturday, and the addition of a map would be helpful. Councillor Pickering had the chance to speak with guests and found many were from out of town. When speaking with owners, they felt ready and felt there was great communication, and the theme worked well.

Discussion for changing the timing/date is tabled for a future meeting.

#### 7.4 Lights on Brock

Pilot lighting program at no cost to the BIA was met with positive reviews. Staff noticed they were drilled into the trees and would preferably be affixed differently and higher to account for snowbanks. This project will be tabled until 2026. The board will thank the company for this pilot and ask for the removal of the lights.

Katlyn to source 3 quotes for this project as per our procurement process. As well as warranty, lifespan and tech support.

#### 7.5 Santa Claus Parade

BIA Hut will be at the Circle K lot, Todd will deliver Claus's to the Hut. Hot chocolate will be sourced from Tim Hortons. Katlyn will bring the speaker.

The hut can be decorated once it is delivered the Friday before. Todd recommends picking up a few more decorations.

The board was approached to sponsor an additional choir to sing at the hut. The board respectfully declines and suggests the SCP committee approach an individual business.
