### Environment and Sustainability Advisory Committee

This committee of volunteers are appointed for the 4-year term of Council; additional members will include one or more members of Council, representatives of the Toronto Region Conservation Authority and the Lake Simcoe Region Conservation Authority.

ESAC serves as an advisory body to Council. The Committee's focus generally is to protect and enhance the environmental health of the watersheds within the Township, including the implementation of watershed plans. The Committee provides a community perspective on watershed management and work supporting environmental sustainability. ESAC meets monthly and new members and visitors are always welcome.

### Durham Region Transit Advisory Committee – 1 volunteer representing the Township of Uxbridge

TAC is a volunteer committee established by the Durham Region Transit Commission and Regional Council in 2006. An overview of the TAC and its Terms of Reference is available for viewing at <https://www.durham.ca/en/regional-government/committees.aspx/#Durham-Environmental-Advisory-Committee>. The goal of the DRT Advisory Committee is to "provide input to the Durham Transit Executive Committee on public transit matters as they relate to the provision of conventional and specialized transit services in Durham". The committee's Terms of Reference provide for each of the eight area municipalities to nominate one public transit user representing transit stakeholder groups through their use of DRT services and/or through their participation in community groups that access public.

## Winter Ice Conditions

### Elgin Pond

The Township of Uxbridge will be testing the ice conditions at Elgin Pond throughout the winter. A flag notification system is in place:

**No Flags** – Testing has not begun

**Red Flags** – Ice is not safe. Please stay off

**Yellow Flags** – Skate with caution

Flags are located at the north end of Elgin Pond, beside Mill Street  
Please keep away from water inlets and outlets on the pond, as ice thickness is compromised.

### Storm Water Management Facilities

Please keep off of all storm water management facilities.  
Water levels fluctuate at these facilities and as such are not safe for skating or other activities.

## Snow Removal Reminder

**All snow, slush, and ice must be cleared from sidewalks beside properties and roofs adjacent to sidewalks within 24 hours of snowfall**
