Township of Uxbridge Bans All Open-Air Fires

Dry conditions prompt fire restrictions

Effective July 6, the Township of Uxbridge has imposed a fire ban on all open-air burning. Dry conditions caused by current and forecasted weather patterns make burning unsafe at this time.

Open air burning includes the use of burn barrels, outdoor fireplaces and cooking fires, as well as fires in pits. Residents may still use a barbeque. Portable outdoor fire appliances are not approved for use in Uxbridge at any time.

All persons in the Township of Uxbridge who wish to burn must obtain a permit to have an open fire and follow the requirements listed on the back of the permit. One of the requirements is to call 905-852-9038 every time they wish to burn to ensure burning is permitted.
